Week 5
Term 1

PUKEHOU SCHOOL

"Confident learners who accept social responsibility and live sustainably"

Greetings.

Tena koutou nga whanau me nga tamariki.

Mr E might pop in to see us one day next week, if he is well enough.
Get better soon Mr E!

Meet the teacher

It was wonderful to see so many families on Tuesday evening. If you were unable to attend but would like to meet with your child's teacher, please do make an appointment to see them.

Interschool swimming

Congratulations to all the swimmers who represented Pukehou School by competing in the CHB Interschool Swimming Sports yesterday. We look forward to sharing the official results with you once we get them.

Pukehou Pool

The school pool is a still a balmy 22-24°. We will continue swimming until the end of the term (weather depending). Students are to bring their togs every day or bring a note as to why they are not swimming.

Tadpole report

Bill and Fred have back legs!

Sympathy

Our deepest sympathies to Mr Barry Kerr, his wife and family after the tragic loss of their son in an avalanche in Japan. Barry is a Resource Teacher of Literacy who comes into work with us and the students.

Amongst the branches

Tree climbing is a favourite pastime at school at the moment and we encourage this, but for safety we stipulate how high we deem safe. We have discussed this as a staff team and with the students at assembly today.

Tissues, tennis balls and survival packs

A HUGE thank you to those who have kindly donated tennis balls (I am sure our agapanthus eat them), tissues and have helped your children make up their survival packs. Keep them coming in!

Coming up...

Physical Activity Leader training on Friday next week.
Hockey coaching week 7 - each class has a 40 minute session each day.

Go the Hurricanes and the Black Caps!
Enjoy your weekend.

Pukehou School Board of Trustees (BOT) - News

Aiden Cudby has served as the Pukehou School Board of Trustees Chairman for the last 5 years at Pukehou School. He has dedicated many hours to the role, working alongside various different people within the Pukehou School community. His input and enthusiasm for the school, the students and staff have been valued and appreciated.

Aiden has announced that he will be stepping down as board Chairman, due to starting a new challenging job, that will require greater demands of his time on a regular basis. Aiden will however, stay on the BOT, as a board member to offer guidance and assistance to the new board Chairman – Duncan Smith and to the other board members.

If you have any questions around the BOT, then please email Duncan: staghill@farmside.co.nz.

On behalf of all the community we would like to extend a huge thank you to Aiden and his family for allowing him to be Chairman and help steer the school. THANK YOU Cudby family.

Regards - *Duncan Smith* – Pukehou School Board of Trustees Chairman
