Week 4
Term 3

PUKEHOU SCHOOL

"Confident learners who accept social responsibility and live sustainably"

Tena Koutou nga whanau me nga tamariki.

What a beautiful day... Spring is just around the corner and it's great to see everyone out and about, being active around the school.

- Practices early in the week for Ongaonga 7's, culminated in a fantastic day out at Ongaonga School on Wednesday. Thank you to all who made it possible for our Pīwakawaka and Kāhu learners to attend the day and represent Pukehou School. All of your contributions to coaching, supervising, and transport are greatly appreciated.

Congratulations to the hockey team for their outstanding performance, bringing home the trophy for 2017. The year 5 and 6 netball team also played off in the final of their competition.

- Orienteering, over the last three days, has been a lot of fun. It was a great way to disguise cross country training! The enthusiasm to get around the course was really great to see. Hopefully we will be able to use the gear again in the near future and include whanau on one of the days.

Cross Country

This event is on Wednesday 30th August with postponement as Friday 1st September. We need to arrive at Poukawa by 9.45am so will leave at 9.15am. Prize giving will be at 2.15pm. A note is attached giving further details and asking for transport assistance. I am sure you will all enjoy the day out supporting your children.

School Swimming Pool

We have had one offer of help for the swimming pool and would greatly appreciate some further assistance with this. Please contact me if you want to know some more.

Ruru, Pīwakawaka and Kāhu have been developing their basketball skills over the last 4 weeks. Their final session is next Wednesday so we have booked the stadium and coincided a survival skills swimming session at the pool at the same time. Learners will need swimming togs, towel, and appropriate sports gear and footwear. They will be transported by bus which is funded by the "CHB swim for lives" but there is a cost of \$2 per person for the swimming session which will be charged to accounts.

Positive Playground Play

For giving great compliments:

Kererū – Regan

Takahē – Emily

Ruru – Rupert

Pīwakawaka - Jack

Kāhu – Liam

It has been lovely hearing so many compliments around the school over the last week and this highlights the need for us to recognise the good in each other.

"The greatest compliment that was ever paid was when one asked what I thought, and attended to my answer. - Henry David Thoreau"

I think this quote makes us realise compliments are as much about our actions as our words and that they need to be genuine.

Have a fantastic weekend. There are a few finals for a number of sports this week, so good luck to everyone who is competing in their respective sports. It's great to see the Black Ferns are through to the Women's Rugby World Cup semi- final so I hope they continue to go well, along with the All Blacks and the Magpies over the weekend.

If you support children in sport in any way, we encourage you to join us when Andrew Sylvester from Drug Free Sport NZ will be in Waipukurau.

You have a crucial role to play in helping to create and promote a culture of Clean Sport which rewards children who train hard, play fair and achieve as a result of their best efforts.

You are the role model for the children and athletes you're involved with, so your knowledge and attitude is highly instrumental in shaping their views on Clean Sport.

You have the ability to mould a child's values and attitudes so that they are strong enough to make the right decisions when they face adversity.

Don't underestimate your influence or the need for you to understand **Clean Sport**. JOIN US & LEARN!

To register email: tinah@sporthb.net.nz (by 5pm Monday 21st August)
