

Week 6 Term 2

Friday 7 June 2019

Board update

Many of you will be wondering how Chris is after his knock to the head. Concussion affects everyone differently, so it is important that he rests at home until he is 100%. We are in regular contact with Chris and hope to see him back at school soon!

In the meantime, Rachael Strong is Acting Principal. Our thanks to Rachael and all the staff for running things while Chris recovers. Kahu class will have their usual reliever at times, to maintain consistency.

Wishing you all a happy weekend ahead,

Pixie Seligman

Netball - Pukehou School is on duty tomorrow, see Meg at the convenors desk from 8:30am to let her know that you can help (parents and netball players alike).

Hockey coaching for all of our students starts next week. Please remind your children to wear suitable clothing and footwear.

Parent teacher conferences for Ruru, Piwakawaka and Kahu students are scheduled for Tuesday 2 July and Wednesday 3 July. These will be for 10 minutes each, starting at 3:15pm.

Jacqui will start putting a timetable together next week, so if you have a preferred time please let her know. The timetable will be sent home at the end of Week 8.

Bus Update

You have probably noticed that the bus is doing the rounds much faster at the moment as the roadworks move south. Please make sure that you are at the stop on time to drop off and collect your children to reduce delays. Don't forget about our bus GPS app! Please contact me if you have not been able to download this app.

We have also been informed that children have had chewing gum in the bus – and have been sticking chewing gum to the seats - gross! Please remember that there is no eating on the bus – and this includes chewing gum! Please remind your children that we all need to look after our bus.

Please get in touch if you have any comments or concerns – or fundraising ideas for Big Bill!
