

CHB Swim for Lives **SWIM-A-THON**

Sunday, March 8th, 2020
A.W. PARSONS INDOOR POOL COMPLEX

Our Purpose

To assist Central Hawke's Bay school children in learning to swim and survive in and around water.

The Event

The annual Swim-a-thon is the main fundraiser for this initiative and since it's inception in 2016 it has raised just over \$21,000 in funds to support the CHB Swim 4 Lives program and ensure that all CHB Children can learn the important skills to survive in deep water.

This event has enabled the group to fund transport for 500+ children from 15 schools to participate in Deep Water Safety sessions as well as fund Learn to Swim sessions for additional support for approx. 120 children.

WE NEED YOUR SUPPORT

To help us continue to help CHB children to be safe in the water.
