RUB & GRIND

Man Rub • Man Grind

Impress your significant other by adding a little rub and grind to your cooking! The two most popular products in our range are included in this pack.

Our Man Grind is a rock salt spiked with chilli, garlic and citrus - natural ingredients you can actually see! Many of our addicts throw out their standard salt and pepper and use this on everything.

Man Rub is a smokey, BBQ seasoning with just enough spice that you can add to pretty much anything. Rub it all over your meat before you slow cook or BBQ it and make the best potato wedges you've ever eaten... guaranteed! This pack is Gluten, Dairy, Palm Oil and MSG free!

Our Lemon & Herb Crumb is a fresh and herby delight. The Panko crumb base is seasoned with basil, dill, pepper and lemon with a touch of tarragon. The flavours were designed for fresh caught fish, or everyone's family favourite, a delicious chicken schnitzel.

Man Rub is a smokey, BBQ seasoning with just enough spice that you can add to pretty much anything. Rub it all over your meat before you slow cook it, make the best potato wedges you've ever eaten (guaranteed!), or go full chef and make Man Rub aioli.

Our Mother Dukkah contains toasted almonds blended with signature Pepper & Me spices, sesame and coriander seeds. You might be thinking that dukkah isn't your thing, but that's only because you haven't tried the mother of all dukkahs - The Mother Dukkah. This Moroccan spiced dukkah goes amazingly well with smashed avo, or eggs, or sprinkled on your favourite dip. Saute your vegies and then toss some The Mother Dukkah through for a taste sensation.

Lastly, our Italian Stallion is a mix of all the usual suspects of Rosemary, Oregano, Basil, Sage and Thyme but mixed with a little garlic and onion powder, a hint of lemon and seasoned with salt flakes and pepper. It's perfect to add to all your traditional Italian cooking, lasagne, meatballs, pizza, pasta, tomato or creamy sauces, and try it in any recipe that calls for a herby touch!
