

2021 CHB Hockey Association Hockey Season – Waipukurau

Welcome to the 2021 Hockey Season. The committee is looking forward to another year of great hockey. The committee aims to have umpires for your games and run them efficiently with your assistance. Due to limited volunteer committee members, we are asking the schools to organise the players into teams. When registered it will assist with the invoicing process. Thank you in advance for your help. This season Goalies have been introduced to Kwik Sticks which is very exciting.

KWIK STICKS

Y5-8 Wednesday Teams – Teams will be playing 7 aside or 6 + goalie. Maximum of 10 per team

***GOALIE** We are encouraging each school to have a goalie for their team. Goalie gear is available to hire from the CHB Hockey Association - \$200 (\$100 hire fee and \$100 bond – refunded at end of season upon return of the gear in clean condition). Goalie gear will be available for fitting and collection Wednesday 5th May 3.30pm at the Centralines Sports Park. There are limited kits so please let me know if you require one when you register your team. NB. 11 a-side players can also enter this competition to boost numbers.

***REGISTERING**, this year schools will register a team and provide players names. Each school will be invoiced for each team entered. Kwik Stick fees are \$320 per team. If you are unable to fill a team, please contact me and I will attempt to put you in touch with other teams that need filling up. The team is the school's responsibility and will appoint managers. All teams are to bring first aid kit, players to bring water bottles, mouthguards, shin-pads and sticks. Bibs will be available. Register at chbhockey@hotmail.com with details of your team.

***DRAW**, once registered I will put the draw together and send it out to schools. The draw will begin May 12th and run for 13 weeks (9 weeks in Term 2 and 4 weeks in Term 3).

Please be prompt, ready to play as per the draw, as some Wednesdays the turf is booked after us. I will attach the rules so you can take your teams through these so there is no confusion at game time.
