

# EMERGENCY BOX - *Sample*

Dear Parents / Caregivers

In case of an emergency, we ask that you provide a 2 litre ice-cream container (or similar) for each of your children, containing the following suggested contents.

- Barley Sugars
- Small boxes of Juice
- Muesli Bars
- Survival Blanket
- Antiseptic Wipes or sanitiser gel
- Small packet of tissues
- A few band aid / plasters

Other non-perishable items may be included. These boxes will be sent home at the end of the year for you to 'refresh'.

Include something special (eg: photo, soft toy, personal letter) that means a lot to the child and will get a smile.

Secure the container and attach a label to the lid, including the students name, class and a list of contents.
