Wisdom begins with Wonder

Term 2, Week 5

Thursday 3 June 2021

Principal's Message

Ngā mihi nui ki a koutou

What a fantastic couple of weeks we have had with our students getting out and about, as well as being involved in many exciting activities in school. Last Friday our Yr 3 - 8 students took part in the CHB Rippa Rugby tournament in Waipukurau. Our students played beautifully, showing a great competitive spirit as well as strong sportsmanship. Ka mau te wehi team! Our Year 3 - 8 girls have also been involved over the last two weeks in girls self defence. Brie, their instructor, had a great time with our students, who took great delight in demonstrating (safely) some of their moves to me.

We have a couple of new additions to school which arrived this week thanks to the generous support of some community members and local grant trusts. Thanks to the Cox, Trew, Pretty & Fraser families who along with the Grass Roots Trust and our PWF purchased our very own gazebo. Eastern and Central Community Trust has also given us a grant to purchase a full class set of Edison coding robots for our students to learn how to code with. At the most basic level this involves our students problem solving to move the robot through a maze. Our more senior pupils, once they master the basics, will be learning how to write the code themselves as well as using Lego support material to add to the robots to complete set tasks. A huge thank you to everyone who has made these new purchases possible for our Tamariki and school!

Finally, please do not forget that tomorrow (Friday) is a teacher only day (staff first aid training) and Monday is Queen's Birthday.

Have a lovely long weekend Pukehou!

Nga mihi

Chris Birch

TOMORROW

Teacher Only Day

Friday 4 June 2021

Please ensure you have alternative arrangements for your children.

MONDAY - Queen's Birthday

Have a happy and safe long weekend.
