Term 3, Week 1

Friday 30 July 2021

Principal's Message

Ngā mihi nui ki a koutou

Welcome back to Term Three. We hope you and your family have all had a lovely two weeks over the holiday period together.

Term Three is shaping up to be another busy, but exciting term as our students embark on a number of challenges both in and outside of the school environment. Our two senior rooms are preparing for the Onga 7's in Week Three with the whole school also training for the Pukehou, Poukawa and Otane Cross Country which is set for Wednesday 25th August at Pukehou School - (postponement Friday 27th). Please put this date in your calendar so you can come to cheer your children on. Our students are also busily preparing for the biannual Ngati Whai Kapa Haka competition which is set for Wednesday 22nd September.

It was lovely to see all those families who attended our parent/teacher interviews earlier this week. If the times did not suit you please feel free to contact your classroom teacher to make an alternative appointment.

As always, if you have any questions please do not hesitate to contact any of our staff. Our doors are always open.

Nga mihi

Pukehou Trailblazer and Colour Run

2nd October 2021

Get your tickets for the TRAIL and COLOUR run from: <https://events.onetime.sport/event/934>

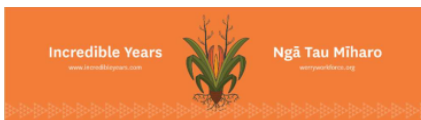

Back for its third year and promising to be bigger and better than ever!!

Join us in the heart of Central Hawke's Bay for a trail run and family day out like no other!

The Pukehou Trailblazer (5, 10 or 20km, individual or team events) and COLOUR run is held at Kahotea Farm, 25 minutes from Hastings / Havelock North and Waipukurau.

The trails take you on a journey through private farmland with spectacular views across Kahotea Pa, mature amenity planting and new riparian planting on a working arable and pastoral farm. The trails are a mix of mown and limestone tracks with a range of contour to really stretch your legs.

The COLOUR run is held in the cottage paddock with a 1km loop featuring a massive water slide, water sprayed from our local Otane Fire Brigade and various obstacles. The COLOUR is non-toxic (cornflour and food grade colouring).

Keep up with what is going on at school

We try to ensure everyone receives important messages regarding activities going on here at school. To do this we use a number of different platforms. These can be found below. Wherever possible I try to ensure messages are recorded on all platforms so nothing is missed.

Our main message relaying platforms: Are you in the LOOP?
