Wisdom begins with Wonder

Term 3, Week 3

Friday 13 August 2021

Principal's Message

Ngā mihi nui ki a koutou

What a busy few weeks we have had here at Pukehou. It has been wonderful to see our students excited and participating to the best of their abilities at the recent Onga 7's tournament. Thank you to all our wonderful parents who assisted with transport, supervision and management of our teams. Our students put on a wonderful show on the playing fields/courts and should be proud of their efforts.

This week I am excited to announce a number of milestones for our school. The Ministry of Education and I have just finalised our next 10 year property plan. The first half of this will see over \$950,000.00 spent on our property in the coming five years. This will include the repair to our community hall, updates in the classrooms and grounds as well as spending on essential infrastructure to ensure the continual safe operation of the school into the future. Additionally the Ministry has signed off on and deposited the money for our Playground replacement which we hope will begin in the very near future. All exciting projects for our school.

Don't forget our Poukawa, Otane and Pukehou Cross Country is fast approaching on Wednesday 25th August (postponement 27th August). A huge thank you to Te Aute Trust farm and Langdon for allowing us to run this event on their land, once again. There will be new tracks in 2021 so ensure you are there to cheer our students on.

As always, if you have any questions please do not hesitate to contact any of our staff. Our doors are always open.

Nga mihi

Tennis Hot Shots is about to start up again in Term 4. Parent help is required.

This is a fantastic way for the children to start up with tennis through game based play.

To have a fun and successful time, I do require parents' help to enable small groups. There would be a morning's workshop to show you the warm ups and games the children enjoy playing.

The number of coaches I have on the court will determine the number of children I can enrol.

If you are interested please call Jane 027 3600 834 before August 16th .
