Week 10 Term 4 2025

Thursday 11 December

## Principal Korero

Wow, the last two weeks have flown by, and we've certainly squeezed a fair bit in. I was fortunate enough to go to camp in Welly with Kāhu class. It was an action-packed five days, starting at the high ropes course at Adrenalin Forest. Visits to Te Papa, Capital E (where we created our own games), Parliament, Zealandia, Wellington Zoo and Indoor Go-Karting followed. There was learning, challenges, and a whole lot of fun had. I was proud of our senior students, as many of them overcame fears and challenges while away.

Success doesn't happen by chance. A phenomenal amount of planning and organisation goes into a camp, including fundraising. Thanks to Rachael (Mrs Strong) for all her mahi. I know the tamariki loved it! We had a great team of parent volunteers who threw themselves into camp and the activities. Thanks, Bram, Julie, and Pixie. You were amazing.

It was hard to pick a highlight. I love the zoo. The heights our kids went to at Adrenalin Forest were amazing. However, it was hard to go past the Go-Karting...there were thrills and spills, with competitive natures coming to the fore! The kids were buzzing afterwards.

Also, I'd like to thank Mr G for coming back and steering the ship while we were away. I know they had a wee bit of fun back at school. I would have loved to have been part of Wheels Day!

## Splash Planet Fun Day

Thanks to Centralines and Constable Che', our Bus Monitors were able to be recognised and thanked for their efforts this year with a day at Splash Planet. It was a scorching day, and while the park was pretty full, they had a blast. It's a big commitment to volunteer to be a bus monitor, and we hugely appreciate those who put their hand up. I'd also like to acknowledge and thank Rachel and HB Bus Services for getting us to the event and helping with supervision.

# PRIZEGIVING & CELEBRATION

Just a reminder that parents and whānau are invited to our end-of-year celebration this coming **Monday, 15th December. @Pukehou Marae**. We are excited to be hosting the event at the marae 😊

Gates open at 5.00 pm for a Board (Free) Sausage Sizzle, with festivities starting at 6 pm (please have children there by 5.45 pm).

## Hall Construction

Work has begun, and there has been a fair bit of demolition and exposure of the walls to identify the scale of the weather-tightness issues. Things are progressing nicely, but it's hard to envisage the final product at this stage!

## **4 Game-Changing Books For Parents**

If you're raising kids in the digital age, these four books are absolutely essential. From screen addiction to brain development to anxiety and resilience, these titles will give you the science, the strategies, and the clarity every modern parent needs. <https://www.youtube.com/watch?v=hYwy3wTBfhk>

## **How Much Tablet Time Is Safe for Growing Brains?**

With developmental delays in children skyrocketing, this video asks a crucial question every parent needs to consider: how much tablet time is actually safe for our children's young, developing brains?

## **DIGITAL SAFETY**

### **TALK APPROACH**

- **Time limits:** Set clear boundaries on screen time and stick to them
- **Access:** Keep devices in shared spaces, not bedrooms, so you can see what they're doing
- **Listen and discuss:** Regularly kōrero with your child about what they're seeing online
- **Know their world:** Learn about the apps, games, and websites your child uses
